## PROFILE SUMMARY

Video Editor with hands-on experience editing music videos and short-form social media content for digital platforms. Strong foundation in visual storytelling, pacing, and transitions, with an eye for creating engaging, audience-focused edits. Currently transitioning to a desktop-based editing workflow using Adobe Premiere Pro, alongside experience in CapCut and Alight Motion.

## EXPERIENCE

### Video Editor

2023 - Present

Freelance

Remote

- Collaborated with an independent artist to edit music videos, bringing their vision to life through visual media by applying creative storytelling, smooth transitions, and a strong sense of rhythm that enhanced visuals and matched the music's emotional tone.
- Developed content tailored for YouTube and Instagram, currently available in an organized portfolio showcasing dynamic cuts, transitions, engaging effects, etc.
- Edited promotional and social media videos for clients based in Germany and Nepal.

### Creative Operations Associate, Elemeno Kids LLP

April 2025 - Present

Full-Time

Hybrid

- Manage end-to-end order processing for a D2C kids products brand and coordinate with designers, printers, and logistics partners to ensure smooth fulfillment.
- Previously contributed to Instagram content creation to support brand visibility.

### Marketing Coordinator (Content & Video Production), 3SDM

Oct 2025 - Jan 2026

Full-Time

On-Site

- Worked closely with video editors, designers, and creative teams to streamline workflows from ideation to publishing.
- Maintained content calendars and managed scheduling and publishing for three affiliated brands across Instagram, Facebook, and LinkedIn.
- Ensured brand consistency and quality across all digital and creative outputs.

### Barista, Starbucks India

Sept 2024 - Dec 2024

Full-Time

On-Site

- Managed day-to-day café operations including orders, beverage prep, cash, and inventory.
- Recognized as Employee of the Month for Sept & Oct for outstanding performance and teamwork.
